Members News

We celebrated a big birthday at our last meeting. Ted had his 90th. Ted is an example to all of us to keep on working if you want to stay young and fit. Thanks to Ted for all his work for the club he is a stalwart. As a mark of respect for his contribution the club has made Ted an honorary member.

Congratulations to Clive and Andrea for their success at The Bond National Rally. Their Bond Type C racing car, which runs on Methanol, won the prize for the best four-stroke and the Most Coveted award. They also won a prize for the Mk F demonstrator which has covered well over 100,000 miles around Europe.

Last month we asked for suggestions for the way to commemorate Jack Cartlidge. Suggestions were:

1. A perpetual trophy awarded annually to the winner of a treasure hunt to be held before the annual BBQ
2. A commemorative book based on the club history with a free copy to all members.

We will need to make a decision at the next meeting to give time to prepare for the treasure hunt

There was no raffle at this meeting.

We have been asked by Harold and the organisers to participate in this event. In doing so we will take the opportunity to do a charity collection in the town centre on Sat 22nd Sept. We therefore ask for members support for this venture.
