

CONGLETON BEARTOWN CLASSIC CAR CLUB

AUGUST 2021 NEWSLETTER

HOORAY HOORAY we made it to our first meeting in 18 months. The attendance at the meeting was pretty well but down on our usual amount I noticed that there was a small amount of regulars missing. It was a good evening with many catching up with others about events in their lives over the last 18 months.

The meeting was opened at 20:00 hours by our Chairman Terry Marshall, he welcomed everyone back. He then talked briefly about the 18 months since we last met in March 2019, mentioning that several members had experienced health problems but that all had recovered. As far as he was aware we had lost no-one, a comment which rightfully drew applause from members. He went on to say that even though we had been prevented from meeting and no shows were taking place we had gained 10 new members this year making our numbers up to 107 now.

He reiterated what we had been previously told that, as precautionary measures during these early times, the raffle would not be held and that the usual buffet would not take place at present. However for a donation of £1.00 refreshments similar to the buffet would be served at the table.

There have been some Committee changes since the last meeting Davis Kelly (Events Secretary) has resigned for personal reasons but remains a member of the club. Viv Ash replaces David as Events Secretary.

New Members

John Brookshaw from Buerton was present at our meeting and joins with his Austin Cambridge and he has a couple of 'campers' a Morris A60 and a Talbot.

***A BIG, BIG WELCOME TO YOU AND
ANYONE ELSE THAT HAS JOINED
DURING THE LAST 18 MONTHS***
